The PBS Special - *YANNI: THE DREAM CONCERT - LIVE FROM THE GREAT PYRAMIDS OF EGYPT* – will air nationwide in March. A DVD and Blu-Ray of the special will be available as well.

SENSUOUS CHILL, an exciting sonic experience featuring ten new tracks, follows Yanni's historic sold out performances at the Great Pyramids of Giza in Egypt. Yanni's forthcoming PBS Special - *YANNI: THE DREAM CONCERT - LIVE FROM THE GREAT PYRAMIDS OF EGYPT* - features Yanni and his global orchestra performing before a full sold out two-night audience in front of the pyramids in Egypt. The event was captured in 4K high definition audio/video for broadcast next year on PBS stations nationwide. In addition, the special will be available to fans via Blu-Ray and DVD. *YANNI: THE DREAM CONCERT - LIVE AT THE GREAT PYRAMIDS OF EGYPT* will mark Yanni's 12th LIVE PBS special and first since 2012's acclaimed concert special *YANNI: LIVE AT EL MORRO, PUERTO RICO*, filmed in San Juan, Puerto Rico's 16th century Castillo de San Felipe del Morro.

Yanni is a multiple GRAMMY® Award-nominated composer, multi-instrumentalist, producer, and performer whose extraordinary body of work has both pioneered contemporary instrumental music and re-imagined the live concert-going experience. Since making his solo debut with 1984's *OPTIMYSTIQUE*, Yanni has had 15 albums reach #1 on Billboard's "Top New Age Albums" chart – more than any other artist ever – with 1994's *LIVE AT THE ACROPOLIS* also reaching the top 5 on the overall "Billboard 200" on its way to 4x platinum certification from the RIAA and total worldwide sales in excess of 7 million. For over two decades, Yanni has been one of the world's top selling live acts, performing on every continent bar Antarctica, in more than 35 countries, before a cumulative worldwide audience of more than 5 million and counting. In North America alone, Yanni's 1995, 1998, and 2003-2005 concert tours were each named among *Pollstar*'s top 10 concert tours of the year. In the past decade Yanni has performed more than 500 concerts in over 25 countries. Yanni has also taken his universal music to such iconic landmarks as India's Taj Mahal and China's Forbidden City, captured for posterity on 1997's concert film and chart-topping RIAA platinum certified album, *TRIBUTE*. Other live highlights include 10 consecutive sold out shows at New York City's Radio City Music Hall, performing inside the Kremlin in Russia, festival events at Tunisia's Roman Theatre of Carthage and Lebanon's ancient city of Byblos, and an historic concert beneath the world's tallest skyscraper, Dubai's Burj Khalifa. Yanni's inimitable work has long found a home on soundtracks for film, television, and commercials including British Airways' award-winning "Face" campaign. YouTube now provides fans around the world with unprecedented access to Yanni's music and videos, generating close to 350 million individual views over the past year alone.
