This follows last years release of the **‘Playing Sports’** EP including title track, **‘Free Up’** and **‘Clean It Up’** which **Hus** decided to drop on his sound cloud account. And who can forget the release of **‘Friendly’**, originally leaked online, the track was accompanied by a typically entertaining visual from **Hus** coining his popular term *‘Fanta with no ice’* which went on to become a viral sensation.

Nominated for **Best Newcomer** at **The MOBO Awards** in 2015, and included on the long-list for the **2016 BBC Sound Poll**, **Hus** is back and ready to make his mark. His **'The 15th Day'** mixtape, which dropped back in 2015 alongside smash single **'Lean & Bop'**, highlights his ebullient blend of Dancehall, Afrobeat, Grime and R&B, winning acclaim from **The Guardian, Fader, Noisey, Complex** and **i-D**, and clocking over a million plays in its first month. Securing a deal with **Black Butter**, home to acts such as **Rudimental, Jess Glynne, Goldlink** and **Will Heard**, **Hus** ended 2015 featuring on **Tinie Tempah's Junk Food** mixtape.

Securing a deal with **Black Butter**, known as the incubator of talent of everyone from **Rudimental** to **Jess Glynne** and **MNEK**, **Hus** ended 2015 featuring on **Tinie Tempah's Junk Food** mixtape. He graced **Katy B's** album last year as well as making a guest appearance on the **BrOTHERHOOD** movie soundtrack. To kick things off in 2017, **Hus** has featured on **Dave's** single **'Samantha'**, on **'High Roller'** the lead single from **Nines'** debut album and on **Stormzy's** recent debut album (**Gang Signs & Prayer**) on the track **'Bad Boys'** alongside **Ghetts**.
