About the track, **A Wrinkle in Time** filmmaker **Ava DuVernay** commented, “*My creative partnership with Sade on ‘Flower of the Universe’ was so connected that I reverse engineered the usual process and used her lyrics as actual dialogue within the film.*”

This also marks the first new recording from **Sade** since the release of her gold-certified 2010 sixth album, **Soldier of Love** [Epic Records]—which bowed at #1 on the *Billboard* Top 200. The title track garnered the 2011 GRAMMY® Award for “Best R&B Performance by a Duo or Group with Vocals.”
