“**Pistol On My Side**” bulldozes a path for the release of **Swizz's** brand new full-length album, ***Poison***—out November 2, 2018. The record boasts a once-in-a-lifetime collaboration between the creator, **Kendrick Lamar**, **Jadakiss**, and **Styles P** entitled “**SOMETHING DIRTY/PIC GOT US**” in addition to bangers such as “**COLD BLOODED**” [feat. **Pusha T**], “**25 SOLDIERS**” [feat. **Young Thug**], “**ECHO**” [feat. **Nas**], and more.

The *Poison* artwork depicts the end of the empire which symbolizes, “upending the system and taking power back from the corrupt and fighting for justice” says Swizz. “Cleon Peterson was the best person to create this work of art because of the similarities they share and being a collector of his work and a fan” says Swizz.
